

The screenshot shows the Visual Studio Code editor with a dark theme. The Explorer sidebar on the left shows a project named 'TURTLES' containing files from 'program.py' to 'program11.py'. The 'program9.py' file is selected. The main editor area displays the code of 'program9.py', which is a Hangman game. The terminal window at the bottom shows the execution of the program, including prompts for the user's name and character guesses. The status bar at the bottom indicates 'Python 3.9.1 64-bit' and 'Ln 31, Col 34'.

```
File Edit Selection View Go Run Terminal Help
program9.py - Turtles - Visual Studio Code
